

# GVMS users

Have you ever wanted to change your departure port or departure date after scanning your GMR at check-in?

We would like to know about any issues that have meant you wanted to change your border location or departure date after check-in.

**Your feedback will help us improve GVMS in the future.**

If you'd like to register your interest and take part in our research, or if you'd like to take part in future research on other topics, please get in touch with
