Cual es nuestra propuesta?

PORTS 4.0

Ventajas.

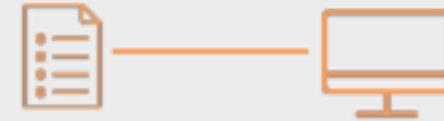

Without eCustoms

With eCustoms

Location of shipment information

Confusing and dispersed

One single platform

Time dedicated per shipments

Way too much

Never seen before

Data entry

Multiple times, slow, manual, archaic

Once and shared with all the participants

Preparados para el futuro

	Without eCustoms	With eCustoms
Notifications	 Difficult to keep updated all participants	 Automated and personalized
Regulation compliance	 Personal guarantees provided	 Ready for next EU regulations
Added values: financial, insurance, AI services...	— None	 Yes

Necesitamos Unirnos y Colaborar.
